

Department Order No. 2 (Series 2010-2011)
Headquarters, Department of Maryland
April 25th, 2010

1. We are now one decade into the 21st century. Many in our Department are on Facebook and Twittering their accomplishments and activities to those needing to know at high bandwidth speed. I don't expect all of our members to understand what I just typed, but, everyone in our department should have internet access and access to our Department Website.
2. The truth is – that our future membership most certainly DOES understand the above paragraph, and spends more time on the web than we did on the TV. For that reason, we MUST have our Camps and Camp information available online. This is no longer a choice – it is a necessity.
3. Therefore, effective immediately, all Camps within the Department of Maryland must establish and maintain a Camp Webpage that has the following information prominent thereon:
 - The Names and contact information for the Camp Commander, Camp Secretary and /or any member responsible for recruiting new members at your camp,
 - Important events occurring within the Camp and programs/projects underway or accomplished by the Camp and its members,
 - Other special SUVCW related information about activities within the Camp,
 - A link to Camp and Department officers who can respond to public requests for information or support,
 - The meeting time and place of the Camp,
 - Camps must provide a link from its site to the Department web site and optionally to the National web site.
 - The Harpers Ferry At-Large Camp must provide a link to the National Web Site.
4. Camps without the technical expertise or necessary resources to start a website are to contact our Department Signals Officer, Brother Holcombe, who is ready and willing to create your site for you by providing the above information to him.
5. The days of paper books and news are quickly ending. We must keep pace with the changing culture in our nation and mainstream way of communicating today!

Fraternity, Charity and Loyalty

Eugene G. Mortorff
Commander, Department of Maryland
(Including VA, WV, MD, DC and DE)
